

EUPIA EXCLUSION POLICY

Durst UV LED Inks

Durst has conducted a comprehensive review of the EuPIA Exclusion Policy for Printing Inks and Related Products, 6th Edition of March 2024. Consequently, we can affirm that our products either comply with or are exempted from the Exclusion Criteria outlined in Group A and Group B of the EuPIA Exclusion Policy. Further, no components are present from the Substances Lists C, D, E, F or G. Products not in accordance with the EuPIA Exclusion Policy are detailed in Appendix A.

This review is based on standard hazard assessment procedures from known information conveyed through MSDS and other technical documents as well as information obtained from exhaustive surveys to our suppliers.

We stay at your disposal for any further questions.
